MEETING MINUTES
JULY 11, 2019**

I. CALL TO ORDER – ASCERTAIN A QUORUM – Chair Beckie Stockstill

Cobb called the meeting to order at 2:05 p.m. in the conference room of the Credit Union Department Building - Austin, Texas, pursuant to Chapter 551 of the Government Code, and declared that a quorum was present. The other members present were Sherri Merket, Liz Bayless, James L. Minge and Commission Chair Allyson “Missy” Morrow, ex-officio. Assistant Attorney General Melissa Juarez was in attendance to serve as legal counsel. Representing the Department staff were John J. Kolhoff, Commissioner; and Isabel Velasquez, Executive Assistant. Mrs. Cobb appointed Isabel Velasquez as recording secretary. The Chair also inquired regarding notice, and the Commissioner confirmed that the notice of the meeting was properly posted (July 1, 2019, TRD#2019003847).

II. APPROVAL OF MINUTES OF PRIOR MEETING (October 1, 2018).

Mrs. Merket moved to approve the minutes of October 1, 2018 as presented. Mrs. Bayless seconded the motion, and the motion was unanimously adopted.

III. (a) Discussion, Consideration, and Possible Vote to Recommend that the Credit Union Commission Approve the Proposed FY 2020 Performance Objectives and Goals for the Commissioner. Commissioner Kolhoff reported

having no changes at this time but wanted to bring to everyone's attention to one of the performance factors regarding attending job fairs twice a year. Mr. Kolhoff explained that now that our turnover ratio has stabilized, we would not necessarily need to keep doing this after next year and recommended to the committee the possibility of removing this performance factor and bringing it up for discussion at the upcoming Commission meeting. Mrs. Bayless reported to a problem with some language missing under performance objective #2 – Administration. The first bullet points to "Attain and maintain at least 95% staffing level with continued...." The correct language should read as follows "Attain and maintain at least 95% staffing level with continued emphasis on employee retention and training."

After a lengthy discussion, Mr. Minge made a motion that the Committee recommend to the Commission approval of the proposed FY 2020 performance objectives and goals for the commissioner with the correction to the language to #2 Administration. Mrs. Bayless seconded the motion, and the motion was unanimously adopted.

(b) Discussion, Consideration and Possible Vote to Recommend Changes to the Commissioner's Succession Plan. Commissioner Kolhoff reported that Commission policy provides that in the event of planned or unplanned departure of the commissioner, the Commissioner Evaluation Committee assumes the responsibility for the succession process and serves as the Commission's search committee for purposes of carrying out the Plan. After a brief discussion and careful

consideration, the committee determined that no changes are necessary or advisable at this time. The committee took no action.

(c). Review Future Meeting Dates (Next Regularly Scheduled Committee Meeting – October 31, 2019). Chair Cobb reminded the committee that the next regular meeting of the Committee has been tentatively scheduled for October 31, 2019.

There being no other business to come before the committee, Mrs. Cobb adjourned the meeting at 2:37 p.m.

NEW MATTERS

C. (a) Recommend that the Credit Union Commission Approve the Proposed FY 2019 Performance Evaluation and FY 2020 Remuneration for the Commissioner.

BACKGROUND: Commission policy calls for an annual performance review of the commissioner. Accordingly, the Commission will be expecting a recommendation from the committee relative to the FY 2019 performance evaluation and FY 2020 remuneration for the commissioner.

RECOMMENDED MOTION: I move that the Committee recommend that the Commission take action to approve the proposed FY 2019 Performance Evaluation and FY 2020 remuneration for the commissioner.

Performance Review

Texas Credit Union Commissioner

Instructions

The Commissioner review is a management-by-objectives program. The overall objective of this program is to align organizational goals and objectives with performance review and compensation.

Part I - Board Assessment

The Commission's Assessment is designed primarily to provide feedback to the Commissioner from each Commission member about his/her perception of the Commissioner's effectiveness.

Part I is totally subjective. As such, the weight assigned to this part of the review **should not exceed 25%** of the total review.

Each Commission member is asked to complete the Assessment Form annually and return it to the Chairman of the evaluation committee approximately one month prior to the scheduled review with the Commissioner. Data from each Commission member is compiled onto one form and shared with the Commissioner during the review.

Part II - Performance Objectives

The performance objectives section is a critical part of the Commissioner's performance review. Performance objectives are developed from the Department's strategic business plan and the plan year budget. These objectives are measurable/observable indicators that bridge the philosophy of the Texas Credit Union Department with measurable results.

Goals set for the objectives should be achievable. The best way to set goals is to look at absolute and relative measures. An absolute measure would be one in which the goal is established based on the Department's actual results. For example, if the goal is to have all state chartered credit unions examined within 18 months of the effective date of the last exam, and the result of that goal is usually 95%, a relative goal would be to have 100% of all credit unions examined within an 18 month period.

Part II is objective, in that achievement of results is verifiable, preferably measurable. This section of the review should be assigned the most weight.

Part III – Special Projects

The Special Projects section incorporates key, non-measurable strategies from the Department's strategic plan and annual operating plan & budget. Major projects and plans would be indicative of special project goals.

Individual Commission members are to evaluate results for each of the key strategies and submit their evaluations to the Chairman of the evaluation committee. **The Commissioner will provide Commission members with periodic updates regarding progress on each of the strategies throughout the plan**

year, as well as written documentation on the final results shortly after the conclusion of the plan year. Each Commission member's evaluation is compiled onto one form and incorporated into the overall review.

The sum of the weights assigned to Parts I, II, and III should equal 1.00.

Monitoring Results

We encourage everyone to track and review results throughout the year. Often during the course of a year, changes in the environment that are outside the control of the Commissioner may make it necessary to modify a goal. By reviewing the goals and progress toward meeting them on a quarterly basis, you can identify these situations and take action to modify them before the end of the plan period.

Final Review

The Chairman of the evaluation committee or his/her designate is responsible for distributing, collecting and compiling Assessment Forms (Parts I & III) from each Commission member. Normally, this process will begin approximately two months prior to the scheduled review date.

The Commissioner is responsible for reporting results from the Performance Objectives section of the plan. Since many of the results will be dependent on final financial reports, results should be provided to the Board within 15 days after the end of the plan period. The completed review will be given to the Commissioner during a formal performance review process when all data is known and calculated. The Chairman of the evaluation committee (and/or one of his/her designates) will meet with the Commissioner to give the formal review.

Time Table

The performance review should cover a Fiscal Year (September 1 through August 31). Each Commission member will receive electronic copies of both the Evaluation Form and a memorandum from the Commissioner outlining the Department's plan period accomplishments by September 15th.

It is important to create performance objectives for the new plan period before the end of the current plan. It is recommended that the performance objectives and goals for the next plan period be established in the last quarter of the current plan period.

Commissioner Compensation

The Commission has undertaken a market-based compensation strategy for the position of commissioner with an end objective of hiring and retaining a highly qualified commissioner to effectively and professionally discharge the duties of the agency.

The position of commissioner is the only position at the agency that is exempt from the State's Position Classification Plan. As the executive officer of the agency, the guidelines for the position's salary range are detailed in the Schedule of Exempt Positions, Article IX, Section 3.04,

General Appropriations Act (85th Legislature). The exact salary group for the position and the compensation paid to the incumbent is determined by the Commission after review of performance and salary comparisons through reports such as the State Auditor's Office August 2014 Report on Executive Compensation at State Agencies (Report No. 14-705) and comparable salary information of selected positions at state and federal regulatory agencies with similar responsibilities.
