The State Auditor's Office has also released the related Conversion Manual. That document can be viewed on the State Auditor's Offices Web site at: <http://www.hr.sao.texas.gov/CompensationSystem/ConversionManual>.

GENERAL DUTIES AND RESPONSIBILITIES

- Plans, organizes and coordinates the daily operations of the accounting and finance processing for the Department.
- Oversees the detailed reporting of revenue and expense transactions made by the Department in Uniform Statewide Accounting System (USAS).
- Prepares the Department's budgets, monthly and annual operating statements, financial statements, vouchers, and payrolls.
- Reviews and analyzes expenditures and other financial trends on a regular basis to ensure budget limits are not materially exceeded. Documents reason(s) for material budget variances monthly.
- Compiles data and submits annual financial reports, which includes the Annual Financial Reports and other financial reports in accordance with Department policy, and state reporting requirements.

¹ Salary is contingent upon experience of selected candidate

Credit Union Department, State of Texas

- Develops methods for the control of cash receipts, deposits, and disbursements; the purchase of services, supplies, and equipment; the documentation of claims for payment; and the preparation and processing of payrolls.
- Monitors and reconcile accounting information from USAS and external sources to ensure the integrity of the data reported.
- Maintains overall quality control of the accounting system and ensures the integrity of system processing and accounting files.
- Analyzes accounting processing systems and functions. Recommends changes as needed to policies and procedures to ensure the integrity of accounting system processing and accounting records.
- Serves as backup for processing travel vouchers in USAS.
- Ensures sound internal controls are utilized to process financial transactions, including general journal entries, payment of bills including Department credit card charges, miscellaneous purchases, travel, and related vouchers.
- May consult with information technology staff in the development of systems for financial applications.
- Performs related work as assigned.

MINIMUM QUALIFICATIONS

- Graduation from an accredited four-year college or university with major coursework in accounting or finance.
- Five (5) years progressively responsible experience in accounting, accounting/financial analysis or related area using the Uniform Statewide Accounting System, Centralized Accounting Payroll/Personnel System, or other integrated accounting system. Education and experience may be substituted for one another.
- Knowledge of financial administration, budget control, and fiscal accounting; and the agency's financial program, governmental accounting, budget control methods, policies, and procedures and laws and regulations pertaining to fiscal operations.
- Ability to plan, organize, and direct accounting programs; to budget funds; to set up accounting systems; to interpret laws and regulations and to apply accounting theory.
- Knowledge of government organization and administration. Experience with State of Texas information resources programs USAS, USPS and ABEST systems preferred.
- Excellent verbal and written communication skills.

PREFERRED QUALIFICATIONS

- Accounting related certifications (i.e. CPA, CGFM, etc.) are preferred.

OTHER INFORMATION

- **Citizenship:** Consistent with the Immigration Reform and Control of 1986 and other applicable laws, all offers of employment are contingent upon the candidate having legal authorization to work in the United States.
